### **Additional Information on EABA Membership Application and Fees**

It is important to underline that the present EABA Membership application form constitutes an official candidature to become a member of the Association. However, given that the Association, its Statutes and its definitive fees have not yet been officially adopted (in fact they will be adopted during the forthcoming 1<sup>st</sup> General Assembly and Steering Committee meeting of the EABA to be held on June 3-4<sup>th</sup>, 2009, in Florence – *the participation form and the programme can be downloaded from the EABA web-site or can be requested to EABA: eaba@eaba-association.eu*), it is not useless to clarify number of important details about EABA membership applications and the EABA provisional membership fees:

- After that the reception of the provisional fee will be confirmed the **EABA candidate member will be able to enjoy the discounted participation fee for the June 2009 EABA Conference (280€ instead of 800€ or 620€– early bird before May 7<sup>th</sup>, 2009)**, the discount will remain applicable also in case of rejection of the candidature for EABA membership during the June 2009 meeting, in Florence.
- The payment of the provisional membership fee only represents a confirmation of the wish to apply for Membership (as candidate) and does not give automatically right to EABA Membership.
- Only candidatures for which a membership fee has been already transferred will be analysed during the forthcoming 1<sup>st</sup> General Assembly and Steering Committee meeting of the EABA to be held on June 3-4<sup>th</sup> 2009, in Florence, as detailed above.
- During this June 2009 meeting the EABA General Assembly and Steering Committee will decide upon the acceptance of candidatures according to the EABA Statutes that will be adopted during the same meeting.
- In case a candidature for membership is rejected, then the provisional membership fee (*but not the conference participation fee*) paid to the EABA will be entirely and automatically reimbursed to the applicant within the shortest delays.
- The membership fee detailed at page 1 is a provisional membership fee for EABA. The definitive Membership fee for the year 2008 will be defined during the June 2009 General Assembly and Steering Committee meeting of the EABA to be held on June 3-4<sup>th</sup> 2009, in Florence (however it is useful to specify that the provisional membership fees detailed at page 1 will be proposed as draft definitive fee at the Florence meeting in June).
- In case the definitive fee defined in the June 2009 Florence meeting according to the above procedure will be fixed at a level higher than the provisional fees detailed at page 1 and already transferred, any EABA Membership candidate will have the possibility to withdraw its candidature by announcing it with a registered letter to be sent before next June, 24<sup>th</sup> 2009 to the EABA Secretariat. In this case the provisional membership fee that was transferred to EABA will be entirely refunded from EABA to the candidate that announced its withdrawal within the shortest delays.
